

# Hamilton County Sports Complex - 2019-2020 Calendar

Welcome to the Hamilton County Sports Complex! The calendar located on the reverse of this page represents our class program and explains when you will have classes and when you should plan to schedule a makeup class. You are charged an average price per month for your classes based on a 4 week month. Over the course of a year you are guaranteed to receive 48 classes (12 months x 4 classes per month). There will be some months where you receive 5 classes and some months where you receive 3 classes. We do not raise or lower our price for those months as it will all average out over the course of the business year.
