

## **Class Rate and Payment Policy Information**

You are charged an average price per month for your classes based on a 4 week month. Over the course of a year you are guaranteed to receive 48 classes (12 months x 4 classes per month). There will be some months where you receive 5 classes and some months where you receive 3 classes. We do not raise or lower our price for those months as it will all average out over the course of the business year. Our business year runs August 1 to July 31.

**CLASS PAYMENT POLICIES and DISCOUNTS** – Tuition is due on the 1<sup>st</sup> of each month. On or after the 8<sup>th</sup> of each month, the rates are increased by a \$10.00 late payment fee. When siblings are enrolled for a full month, both receive a 10% discount. Individuals that take a second class (same or different activity) in the same month, receive a 25% discount on the lower priced class. Discounts do not “stack”.

**MILITARY DISCOUNT** – This is the only discount that does “stack”. You will receive 5% off of what your monthly amount would come to with our normal discounts already applied. Must be able to provide Military ID for verification to receive discount.

**BRING A FRIEND** – If you introduce a friend (who has never been enrolled in our classes before), and they sign up and pay for classes, both you and your friend will receive a \$10 credit on your accounts immediately!

**RISK FREE TRIAL CLASS POLICY** – Try out the first class and if you decide it's not right for your child, it's free. Should you decide for any reason NOT to register with us after taking your Risk Free Trial class, then you owe nothing. However, we hope that you and your child will LOVE it and want to continue, in which case your Risk Free class will count as the first class in your billing cycle. This allows you the opportunity to try out the class once before you make the financial commitment. Our classes run year round. New students can join in at any time as long as there is a vacancy in your desired class. If a class is full, your name will be placed on a waiting list. Depending on the students starting week within the month, they may be asked to schedule make-up classes for those missed, or we may be able to prorate based on the remaining weeks.

As always, you can rest assured that we will continue to go the extra mile to provide a high quality staff, clean facility, upgraded equipment and top-notch customer service!
